6
7 PAUL PATRICK JOLIVETTE,

8 Plaintiff,

9 vs.

10 STATE OF CALIFORNIA,

11 Defendant.
12

3:16-cv-00092-RCJ-WGC

ORDER

13 Plaintiff Paul Jolivetie applied to proceed *in forma pauperis* against the State of
14 California in February 2016. In April 2016, the Court adopted a report and recommendation to
15 deny his application and dismiss the proposed action with prejudice because Plaintiff, a prisoner
16 in the custody of the California Department of Corrections and Rehabilitation, had stated in his
17 application that he would not authorize payments under 28 U.S.C. § 1915(b)(2) and because the
18 proposed action was a frivolous attempt to register a purported judgment of a non-existent court.
19 While his appeal was pending, Plaintiff asked the Court to enforce a purported settlement
20 agreement. The Court denied the motion, because there was no settlement agreement to enforce.
21 The documents attached to the motion appeared to be copies of the fictitious judgment and other
22 documents of the non-existent “Adjudicator Court.” The Court of Appeals has since dismissed
23 the appeal as frivolous, and the mandate has issued. Plaintiff has now asked the Court to enter a
24 default judgment in his favor, attaching a proposed judgment for over \$10 million.

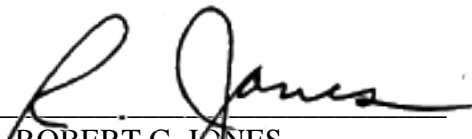

1 **CONCLUSION**

2 IT IS HEREBY ORDERED that the Motion for Entry of Default (ECF No. 28) is
3 DENIED.

4 IT IS FURTHER ORDERED that the Clerk shall accept no further filings in this case.

5 IT IS SO ORDERED.

6 Dated: This 27th day of September, 2017.
